

## **Confirmation of W-9 Status**

I confirm that I request my wages be paid gross on a W9 self-employed weekly basis. I have NOT opted to have my wages paid net with all taxes calculated and deducted at source. I understand that Michael Page does not pay unemployment insurance and FICA contributions for contractors working on a self-employed basis. ANY contractors wishing to be paid as a Michael Page employee must apply in writing with a minimum of 6 weeks' notice.

As a self-employed person, you are responsible for paying your Medicare and Social Security taxes in the same way you pay your income taxes. If you expect to owe more than \$1,000 or more in total taxes, you will need to make estimated tax payments. These payments are made quarterly using Form 1040ES, Estimated Tax for Individuals. To learn about figuring and making estimated tax payments, please refer to publication 505, Tax Withholding and Estimated Tax. [Please note this information is intended as a guideline only and we accept no responsibility for changes or amendments to any of the above].
